Production Time: Production time will vary throughout the year. Allow approximately 8-14 weeks for completion of all custom boot orders. Additional 2 weeks during summer vacation and additional 1 week during Christmas/New Year season. Blades, Heated Insoles, or Some Colored Calf or Suede Leathers may delay production. Please call to receive more precise times on custom boot orders.

Expedite Service: Harlick offers an expedite service for all custom boot orders. The expedite production time will be approximately 5-8 weeks. The charge for the expedite service is \$100. Production will not begin until all information has been received and the deposit has been collected. An additional 2 weeks during summer vacation and an additional 1 week during Christmas/New Year season will be added to expedite production schedule.

Deposit: A \$400 deposit is required for all custom boot orders. Production will not begin until the deposit has been collected. Deposits may be paid via Cash, Check, Money Order, or Credit card (Visa, MasterCard, or Discover).

Deposits are non-refundable after leather has been cut.

How to Place an Order:

Schedule an appointment at our location in the San Francisco Bay Area or at an upcoming event we will be attending (contact information and calendar of events is found on our website). Or schedule an appointment with an authorized dealer in your area (dealer locator is found on our website). If you are unable to visit Harlick or an authorized dealer, you may submit your own order direct to Harlick.

If you visit Harlick or an authorized dealer, they will complete your order for you.

If you submit your own order direct to Harlick, please complete the order form and mail the original copy of the tracings and measurements to Harlick—do not send photocopies, faxed copies, digitally scanned copies, or emailed copies (**order/tracing form may be downloaded from our website – www.harlick.com**).

Be sure to include a \$400 deposit with the order form (**once production has begun, all deposits are non-refundable**).

Also be sure to complete all details on the first page of order/tracing form. This information is very helpful when designing the custom boots. Send barefeet photos with order or by email info@harlick.com

If you have any questions while completing the order form or tracings and measurements, please feel free to contact Harlick and we will be happy to assist you in completing your order.
