Important Information

X-Line Design: All stock boot models are available in the X-Line Design at no additional charge. The X-Line Design is a special boot last that allows for a rounder toe box, fuller arch, and one width narrower heel.

Available Sizes: All stock boots are available in Junior Sizes (9-3 ½) and Regular Sizes (4-15) in EE – AAAA widths. Combination widths and double combination widths are available upon request. Combination widths are available with one width difference (Example: C ball and B heel width, B ball etc.). Double combination widths are available with a two width difference (Example: C ball and A heel width etc.).

Production Time: Will vary throughout the year. Regular production time approximately 6-8 weeks for all stock boot orders that are not in current inventory. If stock boots are in inventory, but need to be modified, please allow approximately 3-10 wk days [depends on the option] before the boots are completed. Chem Glaze Sole Finishes will add about one week to production.

Expedite Service available (4-5 weeks) - \$100.00.

Deposit: There is a minimum \$300 deposit required for all stock boot orders. Deposits are NOT refundable once production of boots has begun.

Returns/Exchanges: All added options—except for Natural Soles w/ Wax Finish and growth or Poron insoles—make a boot modified and NOT returnable for refund or exchange. All uncommon size boots are NOT returnable for refund or exchange (combination widths, double combination widths, junior sizes, large sizes-8 & up, narrow sizes AA & more narrow, and wider sizes D & wider). Any boot that was in Harlick's inventory when purchased may be returned for refund or exchange. Harlick reserves the right to charge a minimum \$20 restocking fee for all returned stock boots [which must be packed well and clean to return to stock/or there will be a charge for cleaning].

Any blades can be ordered through Harlick & Co.,inc
