## X-Line Designs

All stock boot models are available in the X-Line design for an additional **\$25.00**. It is a special boot last that allows for a rounder toe box, fuller arch, and one width narrower heel.

## Available widths

All stock boots are available in junior sizes (up to 3 1/2) and standard sizes (4-13) in EE (widest) to AAAAA (narrowest) widths. Sizes 12+ must be ordered and built as a "Custom Boot". Combination widths and double combination widths are available upon request. Combination widths are available with one width difference (For example, C ball and B heel width, B ball / A heel, etc). Double combination widths are available with a two width difference (For example, C ball and A heel width, etc).

## Standard production time

Production time will vary throughout the year. Allow approximately **12 months** for completion of all stock boot orders. There will be an **additional two weeks** during the summer holiday season and one **additional week** during the Christmas and New Year holidays. Depending on the customization (such as specialty blades, colored calf and suede leathers), there may be additional production delays. Please call or email our office for your most up-to-date timeline.

## Expedite service

Harlick offers an expedite service (with an **additional \$750**) on all stock boot orders. The expedite production timeline is reduced to approximately **4-5 months**. Production will not begin until all information has been received and the deposit of \$700 is collected. Holiday delays as stated above still apply for the expedited production.

## Deposits

A minimum of a **\$700 deposit** is required for all stock boot orders. Production will not begin until this deposit has been collected. All traditional payment methods are accepted. **Deposits are non-refundable.**

## Placing an order

Schedule an appointment with one of our four specialists in our San Francisco Bay Area location – **in person or virtually**.

You may also submit an order form directly to our office via phone, mail, or email. Fitting instructions, tracing forms and order forms can be found on our website. Original copies of the foot tracings are needed in order to complete your purchase (**no photocopies, faxed copies, or digital copies will be accepted**).

Be sure to include the \$700 deposit with your order. Once your order is placed, the deposit is non-refundable.

If you have any questions while completing your order or creating tracings and measurements, please do not hesitate to reach out to our office via phone, email, or social media. We will be happy to assist you.

Any brand of blades can be ordered through Harlick & Co. Inc.
